

SPLASH INTO SUMMER FUN

Summer Swim Lesson sessions:

June 5 - 15

June 19 - 29

July 10 - 20

July 24 - August 3

August 14 - 24

Preschool Lessons Children learn basic swimming techniques, water safety in and around the water. The instructor will help children move at their own pace to ensure the best experience.

Youth Lessons Children ages 3 and over will learn and experience water safety, personal growth, stroke development, water games and sports, and basic water rescue. The instructor will teach swimming techniques that are matched according to each child's skill level and learning abilities.

VOLLEYBALL CAMP - DATES TBA

Youth volleyball is an exciting sport combining team play and individual skills. Camp is for 7th-12th grade girls with a focus on offensive skills like body position, spike approach, attacking, serving and setting. The camp helps players become not only better players, but better teammates as well. It is a progressive program, with multiple age-specific levels. We encourage fair play, positive competition and team involvement.

BATTLE ON THE BLACKTOP - JUNE 10TH AND 11TH

Come join us for Battle on the Blacktop 3 on 3 basketball tournament June 10th and 11th. The tournament is for 3rd-12th grade boys and girls, plus men's and women's divisions. Saturday will be round robin and Sunday will be bracket play with division winners receiving championship sweatshirts!

YOUTH TRACK - JULY

This program helps participants develop fundamental skills and incorporates teamwork through instructional activities. The Y Youth Track program is for 1st-6th graders. Whether it is gaining the confidence that comes from learning to play or building the positive relationships that lead to good sportsmanship and teamwork, participation in sports at the Y is focused on youth development, healthy living and social responsibility. The season will take place on Grace Field Track (across the street from the Y) during the month of July. This program will be two day a week during the month of July, with a track meet on the final evening.

KLONDIKE RUSH - AUGUST 5TH

Are you ready for the 39th annual Klondike Rush, Wyoming's oldest and finest 5k/10k? The Klondike Rush will take place Saturday, August 5th and the race will end before the parade so you can enjoy both events.

KLONDIKE KIDS - AUGUST 5TH

The Klondike Kids is a fun, **FREE** event that follows our Klondike Rush. There will be a 100 meter run for children 5 and under, a 1/2 mile run for children 8 and under, and a 1 mile run for children 10 and under. This is a great way for your kids to be part of race day, so please join everyone cheering at the finish line. All participants will receive an award.

CHARGE INTO SUMMER

Whether it's splashing in the pool, exploring nature, learning a new skill, or going on fun field trips, summer camp at the Y provides an opportunity for children to build meaningful relationships and gain important life skills, such as learning the importance of being caring, honest, respectful, and responsible individuals. YMCA camps give young people experiences that last a lifetime by inspiring them for years to come.

YMCA summer day camps offer a convenient location at the Y in the Park. We offer a variety of programs and extended hours—making YMCA summer camp ideal for working parents. From traditional camp experiences like arts & crafts and sports to specialized activities, our camps offer something for every kid to discover within themselves.

Campers have a terrific time throughout the days filled with age-appropriate activities such as instructional and recreational swimming, weekly field trips, arts & crafts, sports, games, outdoor activities, and more. Campers may be divided into small age groups, each with its own staff, promoting individual growth and a sense of belonging.

We offer 12 exciting weeks of summer camp. Each week has a different theme, different field trips and a different set of activities. All children who attend are required to register for each week individually.

Come and join the adventure!

SUMMER LEARNING LOSS

It's fun to read and learn!

This summer we will continue our Summer Learning Loss programming to help kids retain the knowledge they have learned during the school year. The program will focus on phonics, writing, and reading to boost literacy skills, as well as incorporating STEM programming through enrichment activities to support their physical, social, and emotional growth.

However, we know that to kids that sounds boring.... we will be teaching kids that reading and science experiments can give you a break from a daily routine. These activities will expose kids to new experiences, as well as help stimulate their developing imaginations and creativity. We want kids to know that learning is a powerful and versatile form of entertainment that brings forth inspiration in our lives. We will use tongue twisters, poetry, riddles, music, comics, art, science, technology, math games, and so much more.

Each day during Summer Camp, kids will have the opportunity to read, play, explore, and practice a variety of engaging activities.

The camp will visit the Johnson County Public Library, will partner with the Jim Gatchell Museum, invite guest speakers, and go on exciting field trips. When kids are provided with a variety of learning opportunities, they have more self-confidence, better behavior, and are able to communicate with other people more effectively.

Y IN THE PARK

At the Y in the Park, kids are in a safe environment with nurturing adults where they feel welcome, and explore new talents and interests to reach their potential. We want to ensure that kids in our camp program go home with so much excitement for all they've accomplished and enjoyed that they can't wait to come back.

YOUR SUPPORT WILL MAKE WISHES COME TRUE

This year, the Johnson County Family YMCA will reach out to over 710 family members in our community to offer a safe, welcoming place to learn, grow and thrive. Our youth programs are not just about fun and games, they provide a place for kids to discover more about themselves and parents a place where they can rest assured that their children are safe. Each year, many of these kids receive scholarships made possible through the generous support of people throughout our community. You can help. To find out more about how you can give to our Annual Support Campaign and help a child participate in youth programs through our Financial Assistance Program, visit us in person or on our website.
